**B**y simply completing this application, you could win a \$2,000 scholarship to any of the featured colleges and universities listed on our website, [www.privatecolleges.com](http://www.privatecolleges.com). If you're a multicultural student planning to enroll as a college freshman in the fall of 2016, you're eligible! Here's how to apply.

**First**, read through this magazine carefully. In addition to detailed information about specific colleges and universities, you'll find a wealth of expert advice about going to college.
